

General Information – Small Ship Cruising

Expectations Versus Reality

As a family of travelers, we've learned that every journey starts with a preconceived image of what to expect. Inevitably, this image changes as we experience the real thing. If the actual experience exceeds our expectations, we feel joy. If it falls short, we feel disappointment. For example, hotel accommodations vary significantly around the world in terms of room size, location and service levels. And no matter how hard we try to meet the highest standards, we will all have a favorite and least favorite experience on any trip.

Behind every tour or cruise, there are literally hundreds of people we depend upon to help deliver on your expectations. Should one or two of them fall short, or there is an unexpected change to the itinerary, we hope you will not allow an isolated situation to upset your vacation.

So much of the joy of travel is to experience the unexpected. We hope you share that philosophy.

–The Tauck Family

This brochure is designed to provide you with an honest description of what to expect on your cruise. The Introduction Pages and the General Information (on these pages) are very important for you to understand. This information, in addition to other documents we will provide you when you book with us, including our *Travel Terms and Conditions* and *Financial Summary*, form the basis of our agreement with you. These documents include important legal obligations and should be read with care.

Inclusive Prices

2022 prices are per person in US dollars. Prices include: all accommodations (see below); airport transfers and transportation as detailed in cruise itinerary; basic internet where available in hotel rooms and aboard ships (service levels are not guaranteed); entertainment and special dinners as arranged by Tauck; shore excursions and sightseeing; standard luggage handling (see next column); services of Tauck Directors, ship crew, and local guides. Meals are included as specified. Onboard ship, select alcoholic and non-alcoholic beverages are available as noted on individual cruises. All appropriate gratuities for hotel, ship staff and local guides are included. Tauck Director and Tauck Cruise Director gratuities are included on small ship cruises.

Hotel & Ship Accommodations: Tauck's per person cruise price is based on double occupancy. Hotel rooms with two beds are usually reserved for doubles. The cruise price for rooms / cabins occupied by one person is higher than those when two or more people

share the cost of a room. Triples usually have two beds plus a rollaway cot (not recommended for comfort). Aboard our ships, triples may not be available or may include a sofa or upper berth.

Luggage Handling & Restrictions: Normal luggage handling is included in the cruise cost. Due to space restrictions on our ships, we ask that you please limit your checked luggage to one suitcase per person weighing no more than 50 lbs. Allowances and restrictions for checked and carry-on luggage vary across airlines, so we urge you to verify your airline's current number of items, size and weight limits to avoid overage fees, which can be expensive. Tauck cannot be held liable for additional fees or inconveniences imposed by your airline.

Not Included in Price

The cruise price does not include your airfare and related taxes and fees to the cruise departure point and from the cruise ending point. As a service, Tauck will make hotel reservations before or after your trip on a space available basis upon request. These hotel charges will be added to your cruise cost. Personal Expenses such as phone calls, room service, laundry, airline excess luggage charges (as noted above) and other optional incidental extras are not included.

Luggage Responsibility

Although every effort is made to handle guests' luggage carefully, we cannot be responsible for loss or damaged luggage and personal effects due to breakage, theft, or fair wear and tear through hotel, airline and ground transportation handling. It is important to have adequate insurance to cover these eventualities. See Tauck's *Cruise Protection*.

Before You Go
